

[Childcare.co.uk](https://www.childcare.co.uk) is an award winning online social networking platform for parents, childcare providers and private tutors with over 2 million members.

At Childcare.co.uk, we wanted to recognise the nurseries who stand out from the crowd, so we created the [Childcare.co.uk](https://www.childcare.co.uk) Certificate of Excellence. It's a certificate awarded only to the nurseries with the highest average ratings, based on our review system.
